**Who we are and what we do...**

Worcester County **GOLD**, Inc. (**GOLD**), a 501(c)(3) nonprofit organization established in 1997, improves the quality of life of Worcester County citizens for whom traditional means of well-being support is not fully available. **GOLD** promotes dignity by providing financial aid for families in crisis, vulnerable adults, and children in foster care.

**We cannot do this alone...**

**GOLD** depends on caring individuals and businesses, like you, to assist us in providing the financial assistance required to provide a "helping hand" for our neighbors in critical need; assisting with basic necessities for an improved quality of life and to promote dignity.

**We hope for your support!**

Please join us to: help keep the water running; electricity on; individuals and families under roof; the hungry fed; medical, pharmaceutical, dental, vision care, and urgent transportation needs met; provide assistance to gain and maintain employment; and to coordinate special programs to assist children who are less fortunate and those who are transitioning from homes into foster care.
