Who we are and what we do...

Worcester County **GOLD**, Inc. (Giving Other Lives Dignity), a 501 (c)(3) nonprofit established in 1997, improves the quality of life of Worcester County citizens for whom traditional means of well-being support is not fully available. **GOLD** promotes dignity by providing financial aid for families in crisis, infants and children, vulnerable adults, those who are homeless, and children in foster care.

We cannot do this alone...

GOLD depends on caring individuals and businesses, like you, to assist us in providing the financial assistance required to provide a "helping hand" for our neighbors in critical need; assisting with basic necessities for an improved quality of life and to promote dignity.

We hope for your support!

Please join us to: help families avoid eviction; prevent disconnection or reconnect utilities; provide a sufficient amount of food for our neighbors in time of hunger; provide seasonally appropriate clothing; meet urgent medical needs; provide crucial transportation; provide items to meet basic needs; assist in gaining or maintaining employment; and assist children who are transitioning from homes into Foster Care.
