HOW TO HELP

## *Our Mission*

G.O.L.D. (Giving Other Lives Dignity) provides emergency financial aid and basic need items to Worcester County residents living in poverty.

# Dignity.

I think a lot about the word "dignity" in GOLD's acronym.

We've all seen heartbreaking social media posts  
or fundraisers from those in need.

Describing struggles with medical bills, housing issues,  
food-insecurity, or an urgent need for a child.

To me, the beauty of Worcester County GOLD is,  
our neighbors in need can get help for these same emergencies  
without the added trauma of publicly seeking assistance.

That's the dignity we fight to protect.

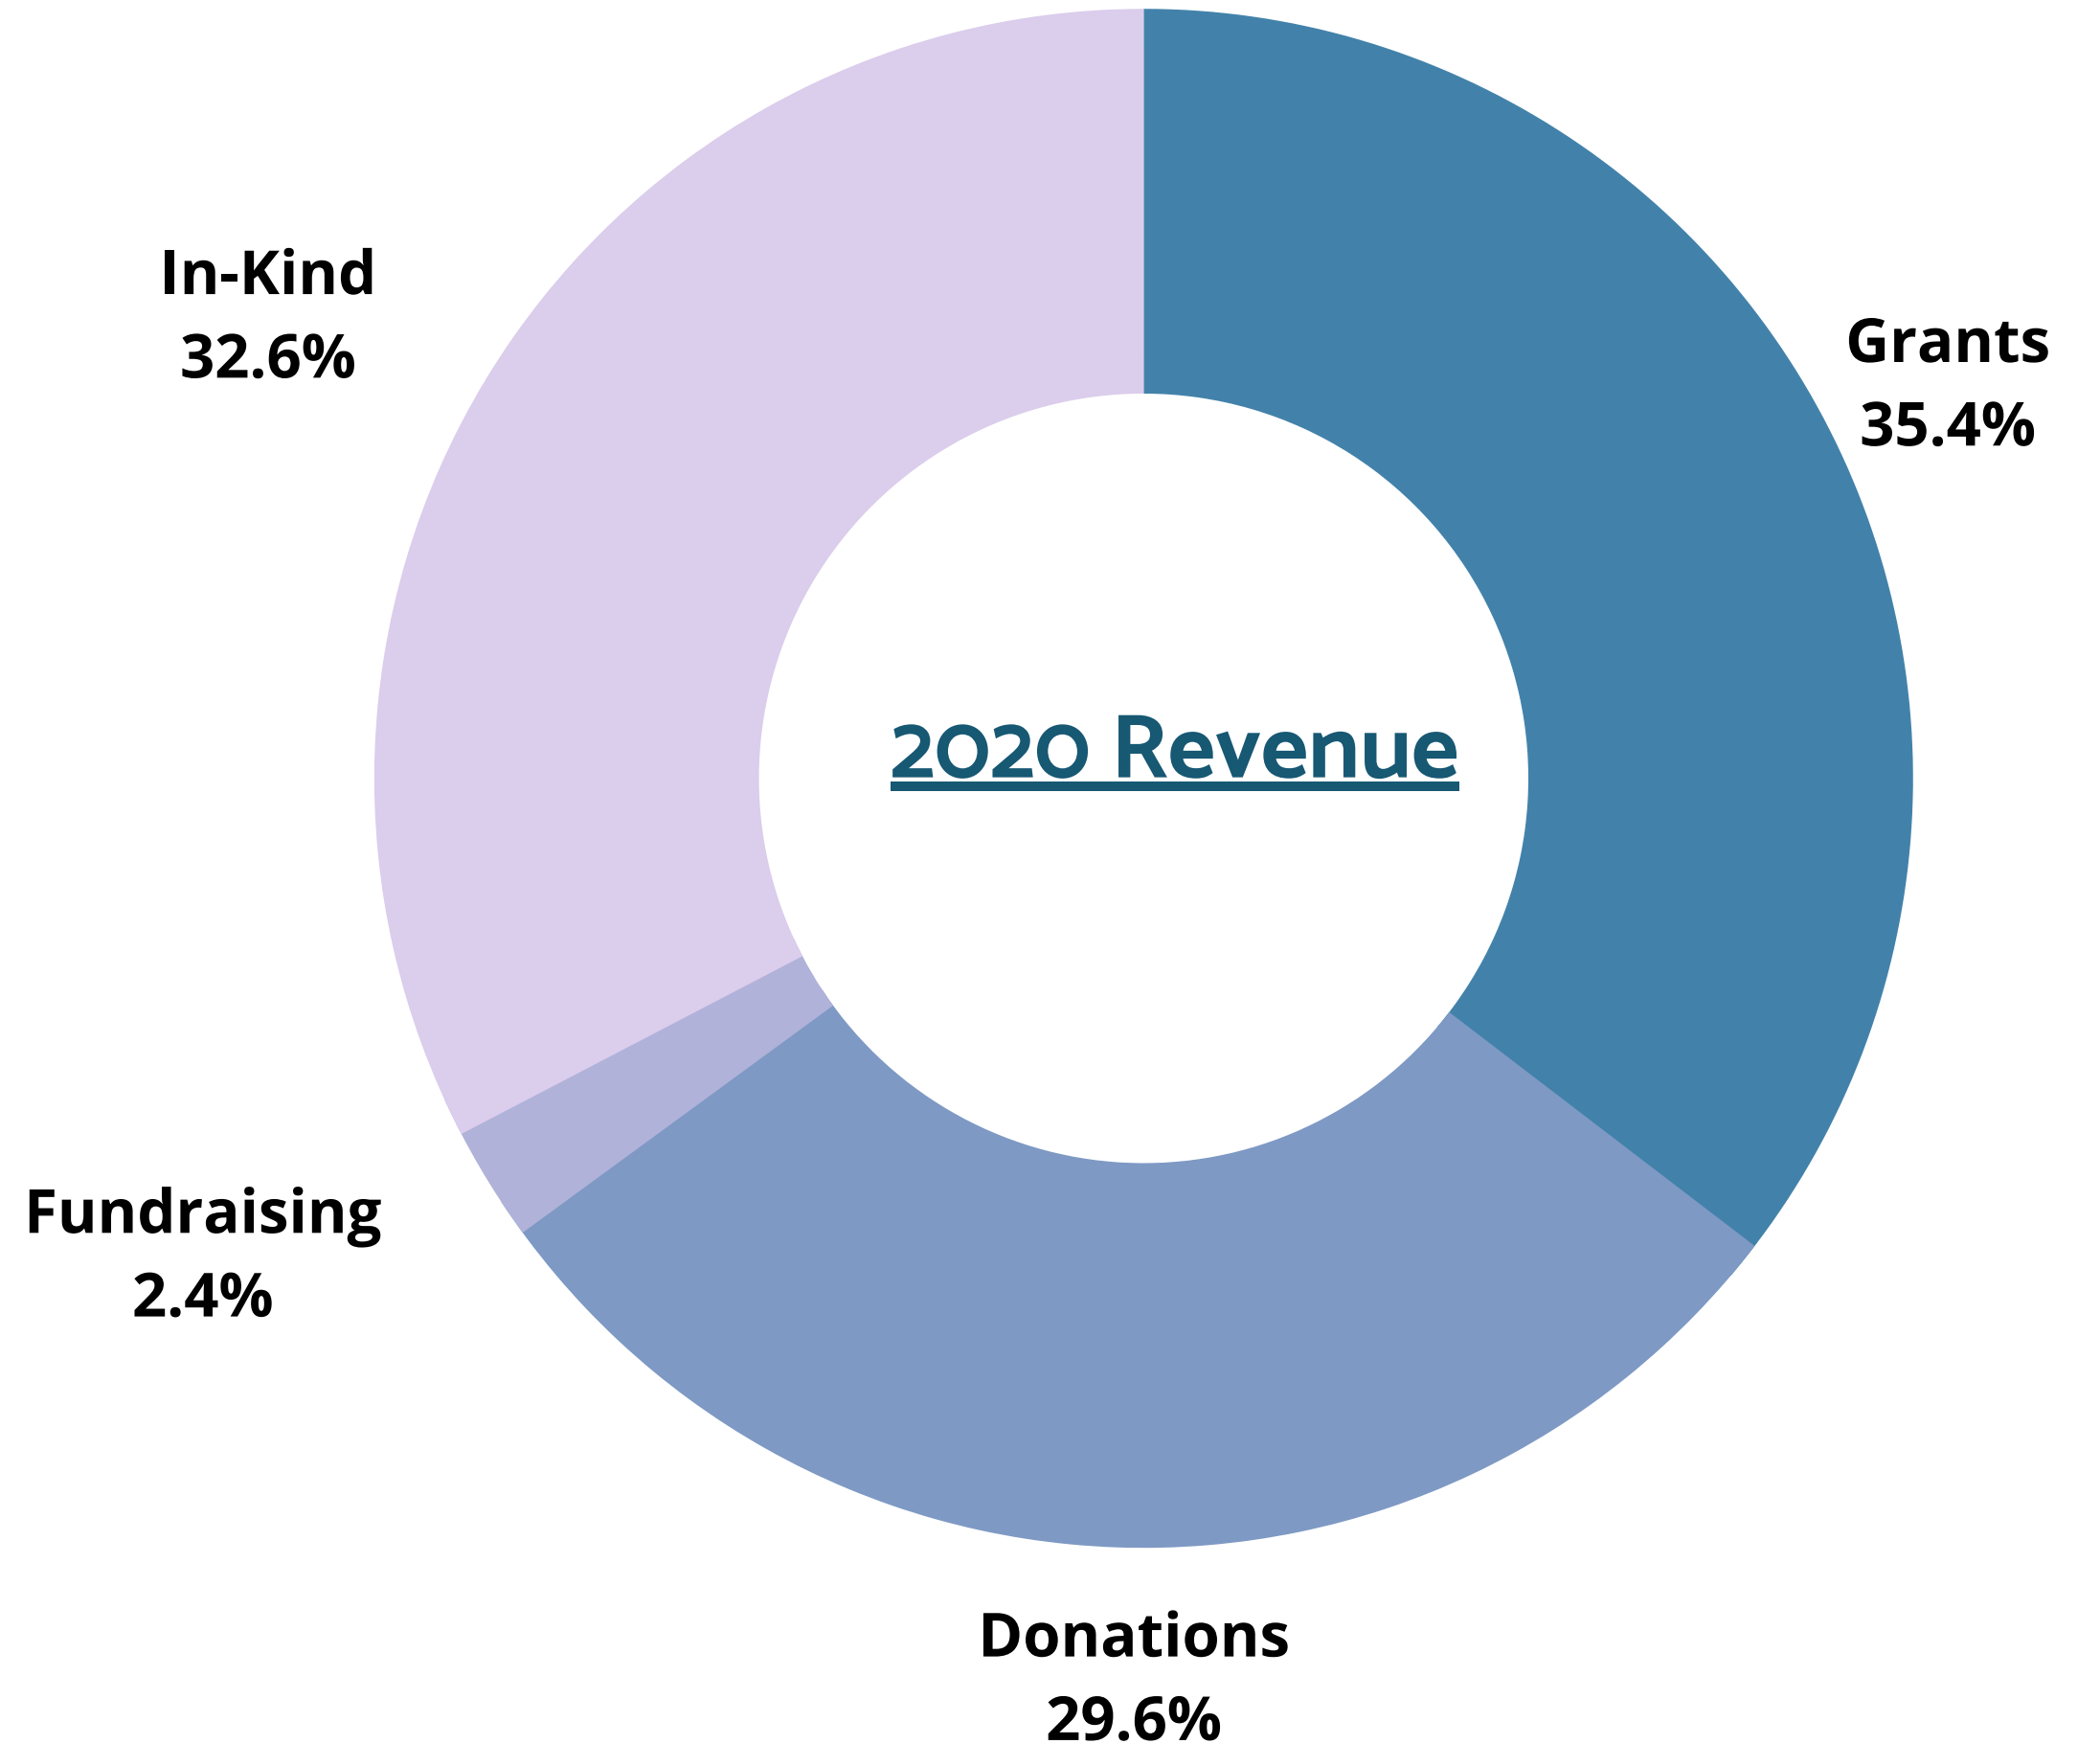

We do it for those who suffer in silence, and as long  
as they are voiceless, they will have mine, they will have ours.

-Nicholas Cranford, Executive Director
